St Mary's & St Gerard's Weekly Newsletter 13th December 2024

Christmas Concert

Well done to all our classes from 3rd- 6th for an amazing concert last night. Our teachers were so proud of their classes and the pupils really enjoyed performing. It is such a positive experience to be a part of a performance in front of an audience. The confidence that our pupils showed when singing and dancing on stage was outstanding. Christmas Plays are a vital part of our drama and creative life in Mary's & Gerard's. These experiences should foster a love of performance and a willingness to try things outside of the comfort zone, for our pupils. Most importantly, the plays bring the spirit of Christmas to our lovely school.

Please go to the website to see photos of the rehearsals , the performances and lots of Christmas fun here in school.

Thank you for supporting your child in their part of this production. We are grateful for the tickets and raffle tickets which form such a large part of our fund-raising.
