SMSG Celebrates our 10th Green Flag for Food & Biodiversity

We held our Green Schools Assembly this morning (outdoors)to raise our 10th Green Flag. Ms Malone had organised a highly informative assembly,delivered by the Green Schools Committee. We recapped on our previous flags . We heard about the importance of the food we eat and how it connects us to nature, food and people all over the planet. Finally , we resolved to keep recycling,protecting water,reducing traffic pollution and looking after nature.

There was a strong sense of how our school is steeped in positive traditions; this journey began in 2003. We will continue to value nature and our environment in our school in future projects .

Thank you to Ms Malone for her leadership on this important area and to all the teachers for their work in supporting this message in class. Well done to our pupils , especially the Green Schools Committee for being so knowledgeable and aware about these issues.

Finally, thank you to our parents who were able to take the time to come along and join us. We hope you enjoyed it as much as we did.

Summer Show

Our 3rd-6th Classes are rehearsing for the show , happening on June 18th at 7 pm. Tickets cost €10 & Seniors €5, as per our Christmas Show. We will also have a raffle at the interval.

Please buy your tickets in advance ; they are now available from Annette's office.

J.E.P. in 5th

Well done to our winners; F.o'K, E.M &K.K. We look forward to your JEP fair soon. The sustainability theme was very strong in all our entries this year.

Creative Schools

Monday is Creative Schools Day in Mary's & Gerard's . Our classes can look forward to a variety of creative experiences throughout the day. It was a great success last year. Our Creative Committee have been busy preparing for this day with Ms Seoighe. Táimid ag súil go mór leis an lá seo!
